Reading and Math and Social Emotional Assessments that are being given currently. We gave everyone a DRA, because we felt like it was a good measure for where kids are at. The Social Emotional screener is our last one to give.

After school activities went smoothly the first day was yesterday.

Thanksgiving lunch is not going to happen this year on Veteran's Day

Covid messages this week- when it comes to notification, I am still notifying the community as soon as I know about the case and not once a week. The 14 day quarantine is still in place, so we are not allowed to change that. The health department says that if you stay the 14 days out the chances of you spreading it are way less than if you change that to a 10 day policy.

No test required to have test to return to school with symptoms  
If they leave school with symptoms they do have to get a negative test
